**WANTED—A Good Cook**  
single woman of about 25 or 30 years of age. One who is kind to children, and understands work. Address, stating wages expected, and when you could come if employed.

C. S. T. - P. O. Box 10. Sheffield, Ala.

Verily, these are the days when the wash woman is well supplied with work. The light particles of a sun burnt earth, floating on our southern breeze, settle down to roost on man's sweat-soaked shirt front, changing it from a snowy white to a dusky red. Oh, how glad we shall be when the sirocco breezes that dance with dusty slippers all through our streets have been replaced by some from a more frigid clime.

A. E. Boyd, of Wayne, was in to see us Monday. He and his father, Col. G. W. Boyd, have just concluded negotiations with W. W. Crane of Waumega, Wis., for the purchase of 1500 acres of ore land near Wayne Furnace at the price of \$10,000. Mr Crane represents the Middle Tenn. Iron Co. and the property purchased will be developed immediately. The richness of this ore land is shown by the fact that Mr A. E. Boyd sunk fifty three small shafts in it and out of this number forty three showed ore from ten to thirty feet down. Surely we are a rich section of country. This is but the beginning of large things in our sister county and we wish her unbounded success.
